16. INTERIM FUNDING FOR SOLVENCY REQUIREMENTS UNDER APPLICABLE
LAW DURING IMPLEMENTATION PERIOD

16.1. At any time during the Implementation Period, if the Demerged Company is required under
Applicable Law to enhance its capital to meet the minimum regulatory requirements of
solvency, the Promoters shall, subject to the following provisions of this Clause 16, procure
that the Demerged Company applies to IRDAI (in a form reasonably acceptable to the
Promoters and the Parties) seeking a dispensation from the requirement of maintaining the
minimum regulatory solvency requirement until the Effective Date.

16.2. In case the aforesaid dispensation has not been granted by the IRDAI or it imposes any
Onerous Conditions, the Promoters shall procure that the Demerged Company make an
application for relaxation of limits to enable the Demerged Company to raise other forms of
capital under the IRDAI (Other Forms of Capital) Regulations, 2015 (such infusion to be done
by issue of non-convertible debentures and to a Person acceptable to the Promoters and the
Resulting Company, both acting reasonably), and which capital will form a part of the
Demerged Undertaking that will be transferred to Resulting Company as part of the Scheme.
For the avoidance of doubt and subject to the foregoing, the entire head room available for the
issuance of debentures (computed as per Insurance Laws) shall be utilized for funding
solvency requirements.

16.3. In the event, either IRDAI rejects the application filed under Clause 16.2 above or the
Demerged Company is unable to raise, or it is apparent that it cannot raise, further capital so
that minimum regulatory solvency can be maintained within the time period prescribed under
Applicable Laws, the Promoters and the Demerged Company shall explore the possibility of
enhancing the Demerged Company’s solvency capital through operational mechanisms such
as realizing (partially or in full, as required) gains on the investment portfolio held by the
Demerged Company.

16.4. In case enhancing solvency capital through such operational mechanisms is not possible, the
Promoters and the Parties will work together in good faith for 15 (fifteen) days to arrive at a
suitable mechanism to meet the minimum solvency requirements in a way that does not result
in, or require, any of the following:

16.4.1. any revision or amendment to the swap ratio used for determining the Consideration
Shares or a material change to the structure of the transactions contemplated under
this Scheme;

16.4.2. any adverse impact on the consideration that the Promoters are entitled to get through
the Scheme or a change to the proportion in which the Consideration Shares are to be

16.4.5. any regulatory approvals or any requirement to re-file or modify any application for regulatory approvals already submitted with any Governmental Authority (including the RBI, NCLT, SEBI, CCI and IRDAI);

16.4.6. any regulatory approval for the Resulting Company to pay, or a Promoter to receive, any amounts contributed by it under this Clause 16;

16.4.7. non-compliance of provisions of Section 2(19AA) of the IT Act; and

16.4.8. trigger of provisions of Section 79 of the IT Act.

16.5. If the Promoters and the Parties cannot agree in writing on a mechanism under Clause 16.4 above within the above mentioned 15 (fifteen) day period, the Promoters shall be entitled to raise the requisite funds from an affiliate of Bharti General Ventures Private Limited, domiciled in India ("Indian Investor" and such amounts being raised as equity from the Indian Investor being the "Interim Funding Amount"). The Resulting Company shall be liable to pay, within 30 (thirty) days of the Allotment Date, the Interim Funding Amount to the Indian Investor along with interest calculated at: the Fixed Deposit rate for 1 (one) year offered by State Bank of India as on the date of infusion of equity funds into the Demerged Company plus 75 (seventy five) basis points (together with the Interim Funding Amount, "Interim Funding Compensation"). For the avoidance of doubt the Resulting Company's obligation to pay the Indian Investor shall only arise if the amount is infused in the Demerged Company in the form of equity.

16.6. It is clarified that any amounts envisaged in this Clause 16: (a) shall solely be limited to the extent of funds required to meet minimum solvency requirements under Applicable Laws; (b) shall not exceed INR 200,00,00,000 in aggregate (whether by infusion of debentures or equity (including share premium amounts)); and (c) shall be deployed in assets forming part of the Demerged Undertaking that gets transferred to the Resulting Company as part of the Scheme.

16.7. If the IRDAI (or any other relevant Government Authority) does not permit the Indian Investor to provide the Interim Funding Amount in accordance with Clause 16.5 of this Clause 16, then the Promoters and the Parties shall mutually discuss to find an alternate solution to be implemented on or prior to the expiry of 15 (fifteen) days from the date of receipt of the notice from the IRDAI (or any other relevant Government Authority) rejecting the Indian Investor to provide the Interim Funding Amount ("Interim Funding Resolution Period").

16.8. It is clarified that the approval of the shareholders of the Parties to this Scheme shall be deemed to be their consent/approval also to the interim funding arrangement in this Clause 16 and the Parties shall not be required to seek separate consent/approval of their shareholders, as may be required under the applicable provisions of the Act and/or SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and/or SEBI (Issue and Listing of Debt Securities) Regulations, 2008 and/or IRDAI Regulations.

17. PROPERTY IN TRUST
