8.2.1. Where the insured Vessel is in collision with another vessel and both vessels are to blame then, unless the liability of one or both vessels becomes limited by law, the indemnity under this Clause 8 shall be calculated on the principle of cross-liabilities as if the respective Owners had been compelled to pay to each other such proportion of each other's damages as may have been properly allowed in ascertaining the balance or sum payable by or to the Assured in consequence of the collision.

8.4.5. pollution or contamination of any real or personal property or thing whatsoever (except other vessels with which the insured Vessel is in collision or property on such other vessels).

9. SISTERSHIP

Should the Vessel hereby insured come into collision with or receive salvage services from another vessel belonging wholly or in part to the same Owners or under the same management, the Assured shall have the same rights under this insurance as they would have were the other vessel entirely the property of Owners not interested in the Vessel hereby insured; but in such cases the liability for the collision or the amount payable for the services rendered shall be referred to a sole arbitrator to be agreed upon between the Underwriters and the Assured.

10. NOTICE OF CLAIM AND TENDERS

10.1. In the event of accident whereby loss or damage may result in a claim under this insurance, notice shall be given to the Underwriters prior to survey and also, if the Vessel is abroad, to the nearest Lloyd's Agent so that a surveyor may be appointed to represent the Underwriters should they so desire

10.2. The Underwriters shall be entitled to decide the port to which the Vessel shall proceed for docking or repair (the actual additional expense of the voyage arising from compliance with the Underwriters' requirements being refunded to the Assured) and shall have a right of veto concerning a place of repair or a repairing firm

10.3. The Underwriters may also take tenders or may require further tenders to be taken for the repair of the Vessel. Where such a tender has been taken and a tender is accepted with the approval of the Underwriters, an allowance shall be made at the rate of 30% per annum on the insured value for time lost between the dispatch of the invitations to tender required by Underwriters and the acceptance of a tender to the extent that such time is lost solely as the result of tenders having been taken and provided that the tender is accepted without delay after receipt of the Underwriters' approval.

Due credit shall be given against the allowance as above for any amounts recovered in respect of fuel and stores and wages and maintenance of the Master, Officers and Crew or any member thereof, including amounts allowed in general average, and for any amounts recovered from third parties in respect of damages for detention and/or loss of profit and/or running expenses, for the period covered by the tender allowance or any part thereof.

Where a part of the cost of repair of damage other than a fixed deductible is not recoverable from the Underwriters the allowance shall be reduced by a similar proportion.

10.4. In the event of failure to comply with the conditions of this Clause 10, a deduction of 15% shall be made from the amount of the ascertained claim.

11. GENERAL AVERAGE AND SALVAGE

11.1. This insurance covers the Vessel's proportion of salvage, salvage charges and/or general average, reduced in respect of any under- insurance, but in case of general average sacrifice

of the Vessel the Assured may recover in respect of the whole loss without first enforcing their right of contribution from other parties.

11.2. Adjustment to be according to the law and practice obtaining at the place where the adventure ends, as if the contract of affreightment contained no special terms upon the subject; but where the contract of affreightment so provides the adjustment shall be according to the York Antwerp Rules.

11.3. When the Vessel sails in ballast, not under charter, the provisions of the York-Antwerp Rules, 1974 (excluding Rules XX and XXI) shall be applicable, and the voyage for this purpose shall be deemed to continue from the port or the place of departure until the arrival of the Vessel at the first port or place thereafter other than a port or place of refuge or a port or place of call for bunkering only. If at any such intermediate port or place, there is an abandonment of the adventure originally contemplated the voyage shall thereupon be deemed to be terminated.

11.4. No claim under this clause 11 shall in any case be allowed where the loss was not incurred to avoid or in connection with the avoidance of a peril insured against.

12. DEDUCTIBLE

12.1. No claim arising from a peril insured against shall be payable under this insurance unless the aggregate of all such claims arising out of each separate accident or occurrence (including claims under Clauses 8,11 and 13) exceeds..... in which case this sum shall be deducted. Nevertheless, the expense of sighting the bottom after stranding, if reasonably incurred specially for that purpose, shall be paid even if no damage be found. This Clause 12.1 shall not apply to a claim for total or constructive total loss of the Vessel or, in the event of such a claim, to any associated claim under Clause 13 arising from the same accident or occurrence.

12.2. Claims for damage by heavy weather occurring during a single sea passage between two successive ports shall be treated as being due to one accident. In the case of such heavy weather extending over a period not wholly covered by this insurance, the deductible to be applied to the claim recoverable hereunder shall be the proportion of the above deductible that the number of days of such heavy weather falling within the period of this insurance bears to the number of days of heavy weather during the single sea passage. The expression "heavy weather" in this clause 12.2 shall be deemed to include contact with floating ice.

12.3. Excluding any interest comprised therein, recoveries against any claim which is subject to the above deductible shall be credited to the Underwriters in full to the extent of the sum by which the aggregate of the claim unreduced by any recoveries exceeds the above deductible.

12.4. Interest comprised in recoveries shall be apportioned between the Assured and the Underwriters, taking into account the sums paid by the Underwriters and the dates when such payments were made, notwithstanding that by the addition of interest the Underwriters may receive a larger sum than they have paid.

13.1. In case of any loss or misfortune it is the duty of Assured and their servants and agents to take such measures as may be reasonable for the purpose of averting or minimising a loss which would be recoverable under this insurance.

13.2. Subject to the provisions below and to Clause 12 the Underwriters will contribute to charges properly and reasonably incurred by the Assured, their servants or agents for such measures. General Average, salvage charges (except as provided for in Clause 13.5) and collision defence or attack costs are not recoverable under this Clause 13.

13.4. When expenses are incurred pursuant to this Clause 13 the liability under this insurance shall not exceed the proportion of such expenses that the amount insured hereunder bears to the value of the Vessel as stated herein, or to the sound value of the Vessel at the time of the occurrence giving rise to the expenditure if the sound value exceeds that value. Where the Underwriters have admitted a claim for total loss and property insured by this insurance is saved, the foregoing provisions shall not apply unless the expenses of suing and labouring exceed the value of such property saved and then shall apply only to the amount of the expenses which is in excess of such value.

13.5. When a claim for total loss of the Vessel is admitted under this insurance and expenses have been reasonably incurred in saving or attempting to save the vessel and other property and there are no proceeds, or the expenses exceed the proceeds, then this insurance shall bear its pro rata share of such proportion of the expenses, or of the expenses in excess of the proceeds, as the case may be, as may reasonably be regarded as having been incurred in respect of the Vessel; but if the Vessel be insured for less than its sound value at the time of its occurence giving rise to the expenditure, the amount recoverable under this clause shall be reduced in proportion to the under insurance.

13.6. The sum recoverable under this clause 13 shall be in addition to the loss otherwise recoverable under this insurance but shall in no circumstances exceed the amount insured under this insurance in respect of the Vessel.

14. NEW FOR OLD

15. BOTTOM TREATMENT

15.2. grit blasting and/or other surface preparation of:

16. WAGES AND MAINTENANCE

No claim shall be allowed, other than in general average, for wages and maintenance of the Master, Officers and Crew, or any member thereof, except when incurred solely for the necessary removal of the vessel from one port to another for the repair of damage covered by the Underwriters, or for trial trips for such repairs, and then only for such wages and maintenance as are incurred whilst the Vessel is under way.

17. AGENCY COMMISSION

In no case shall any sum be allowed under this insurance either by way of remuneration of the Assured for time and trouble taken to obtain and supply information or documents or in respect of the commission or charges of any manager, agent managing or agency company or the like, appointed by or on behalf of the Assured to perform such services.

18. UNREPAIRED DAMAGE

18.1. The measure of indemnity in respect of claims for unrepaired damage shall be the reasonable depreciation in the market value of the Vessel at the time this insurance terminates arising from such unrepaired damage, but not exceeding the reasonable cost of repairs.

18.2. In no case shall the Underwriters be liable for unrepaired damage in the event of a subsequent total loss (whether or not covered under this insurance) sustained during the period covered by this insurance or any extension thereof.

18.3. The Underwriters shall not be liable in respect of unrepaired damage for more than the insured value at the time this insurance terminates.

19. CONSTRUCTIVE TOTAL LOSS

19.1. In ascertaining whether the Vessel is a constructive total loss, the insured value shall be taken as the repaired value and nothing in respect of the damage or breakup value of the Vessel or wreck shall be taken into account.

19.2. No claim for constructive total loss based upon the cost of recovery and/or repair of the Vessel shall be recoverable hereunder unless such cost would exceed the insured value. In making this determination, only the cost relating to a single accident or sequence of damages arising from the same accident shall be taken into account.

20. FREIGHT WAIVER

A sum not exceeding the anticipated gross freight on next cargo passage, such sum to be reasonably estimated on the basis of the current rate of freight at time of insurance plus the charges of insurance. 12. DEDUCTIBLE

12.1. No claim arising from a peril insured against shall be payable under this insurance unless the aggregate of all such claims arising out of each separate accident or occurrence (including claims under Clauses 7,9,11 and 13) exceeds..... in which case this sum shall be deducted. Nevertheless, the expense of sighting the bottom after stranding, if reasonably incurred specially for that purpose, shall be paid even if no damage be found. This Clause 12.1 shall not apply to a claim for total or constructive total loss of the Vessel or, in the event of such a claim, to any associated claim under Clause 13 arising from the same accident or occurrence.

12.2. Excluding any interest comprised therein, recoveries against any claim which is subject to the above deductible shall be credited to the Underwriters in full to the extent of the sum by which the aggregate of the claim unreduced by any recoveries exceeds the above deductible.

12.3. 13.4. When expenses are incurred pursuant to this Clause 13 the liability under this insurance shall not exceed the proportion of such expenses that the amount insured hereunder bears to the value of the Vessel as stated herein, or to the sound value of the Vessel at the time of the

occurrence giving rise to the expenditure if the sound value exceeds that value. Where the underwriters have admitted a claim for total loss and property insured by this insurance is saved, the foregoing provisions shall not apply unless the expenses of suing and labouring exceed the value of such property saved and then shall apply only to the amount of the expenses which is in excess of such value.

13.5. When a claim for total loss of the Vessel is admitted under this insurance and expenses have been reasonably incurred in saving or attempting to save the vessel and other property and there are no proceeds, or the expenses exceed the proceeds, then this insurance shall bear its pro rata share of such proportion of the expenses, or of the expenses in excess of the proceeds, as the case may be, as may reasonably be regarded as having been incurred in respect of the Vessel; but if the vessel be insured for less than its sound value at the time of its occurrence giving rise to the expenditure, the amount recoverable under this clause shall be reduced in proportion to the under insurance.

to invalidate this insurance in respect of any cover provided by this scheme if the Assured can prove to the satisfaction of the Company (of which the Company shall be the sole judge) that such breach happened without the fault or privity of the Assured and without the fault or privity of either owners or managers of the ship or was committed in order to prevent a loss being suffered or a liability incurred which would give rise to a claim under this scheme. For the purposes of this clause, the expression "hostile port" means a port controlled for the time being by a state with which India is at war or by any persons with whom the armed forces of India are otherwise engaged in hostilities.

(vi) that the assured shall, upon demand give to the insurer the fullest possible information as to the employment and position of the ship entered and any other information required by the Company.

C. Actual & Constructive Total Loss and Unrepaired Damage Depreciation

Without prejudice to any other provision of this insurance in the event that the insured ship is or may be an actual or constructive total loss as the result of a risk insured hereunder, or in the event of the Assured electing not to repair but to claim depreciation by reason of unrepaired damage the following provision shall apply:

(i)

a) in the event of an actual or constructive total loss by any of the risk covered by this insurance, the company may at its discretion withhold 20% of the amount payable under this scheme until the Government of India is satisfied in their absolute discretion that the arrangements made for the replacement of the lost tonnage in regard to such matters as the shipyards to be utilised for the purpose and period within which the replacement will be made are satisfactory.

Provided that in the event of loss by capture, seizure, arrest, restraint or detainment no payment shall be considered under this scheme until the expiry of 183 days from the date of the loss and if, pending expiry of that period, the ship be recaptured or released and restored to the Assured there shall be no claim upon the company or any loss in respect of or arising out of such capture, seizure, arrest, restraint or detainment other than the following, namely –

(1) the cost of repair of damage received by the ship by reason of the capture, seizure, arrest restraint or detainment;
(2) the expenses incurred in respect of the ship by reason of the capture, seizure arrest, restraint and detainment and the recapture, release and restoration of the ship, including claim for damage to property arising in respect of the ship during the period of capture, seizure, arrest, restraint or detainment which are recoverable in law from the Assured or the ship;
(3) a sum by way of compensation at the rate of ten percent per annum or such other rate as may be decided by the Company in consultation with the Government of India on the insured value of the entered ship from the date of capture, seizure, arrest, restraint or detainment until the date of recapture, release and restoration,

b) Nothing in this clause shall be taken to be a waiver of notice of abandonment in the event of constructive total loss.

(ii) In ascertaining whether a ship is a constructive total loss, the insured value shall be taken as the repaired value and nothing in respect of the damaged or breaking up value of the ship shall be taken into account.

(iii) In the event of actual or constructive total loss, no claim shall be made by the Company for freight or passage moneys, whether or not notice of abandonment has been given.

(iv)

(a) In the event of actual or constructive total loss, the amount payable hereunder shall (expect to the extent that account has, in fixing the insured value hereunder, been taken of the existing unrepaired damage) be reduced by:

1. the amount of any depreciation arising from unrepaired damage sustained by war risks under any previous insurance covering these risks or arising from unrepaired damage sustained when the risks of such damage was for account of the Government of India; and
2. any sum in respect of depreciation arising from unrepaired damage sustained by marine risks, whether sustained before or after attachment of this insurance which –

(i) in the case of a ship which at the time of occurrence of the damage was insured by a policy covering her for marine risks, the owner would have been entitled to recover under such policy if the policy had been on the terms of the Institute Time Clauses (Hulls) or such other more comprehensive form of cover customarily applicable to the particular type of ship and had been subscribed for her full insured value under such policy.

(B) OR

(ii) In the case of a ship which at the time of occurrence of the damage was not insured for marine risks, the owner would have been entitled to recover under a policy subscribed for the full insured value under this scheme, but on the terms of the Institute Time Clauses (Hulls) or such other more comprehensive form of cover customarily applicable to the particular type of ship, it being assumed that the ship was continuously insured on the above mentioned terms under annual policy expiring on 30th June in each year.

(b) Where in fixing the insured value hereunder, account has been taken of existing unrepaired damage, such insured value may, as and when the owner becomes liable to pay the cost of repairing such damage, be readjusted on the application of the owner to take account of any resulting increase in the value of the ship.

(c) Any application for readjustment of the insured value under this clause must (unless otherwise agreed) be made during the currency of the policy and may be made notwithstanding that the ship has, before the date of the application, become a total loss.

(v)

(a) Unless otherwise agreed, if the assured elects not to repair, but to claim depreciation by reason of unrepaired damage, and if the amount so claimed and payable amounts to more than 80% of the sum hereby insured, the Company may, at its discretion, withhold the amount of such claim in excess of 80% of the sum hereby insured in the same manner and subject to the same conditions as those which apply to the withholding of 20% of the claim payable under Clause C(i) above.

(b) Where, by reason of any uncertainty as to the cause of any total loss, it is agreed or determined that claims hereunder shall be settled on a percentage basis, the

Company may, at its discretion, withhold that part of the claim arrived at by applying the percentage so agreed or determined to 20% of the sum hereby insured in the same manner and subject to the same conditions as those which apply to the withholding of 20% to the claim payable under Clause (i) above.

(12) If the ship is requisitioned by or on behalf of the Government of India (Unless she is running whilst on requisition on terms under which all risk of loss is borne by that Government) this policy shall, so long as the requisition remains effective, extended to cover the liability of the Assured to pay contribution in general average or salvage arising out of any of the risks covered by this scheme on the net hire at risk (not exceeding net hire for the period of the voyage in progress at the time of the casualty giving rise to liability to contribute) receivable by them under any charter party under which the ship is running whilst on requisition.

(13) The insured ship shall be deemed to be at all times fully insured against all perils covered by the standard form of marine policy with the Institute Time Clauses (Hulls) attached in the event of a loss by any of the risks covered by this policy, the Assured shall give credit as against any sum recoverable under this scheme for any sums which they are deemed as aforesaid, or are, or but for the existence of this scheme would be entitled to recover under any other policy on any interest however described, save and except sums recoverable in respect of interests other than those covered by this scheme to the extent to which the Assured have an insurable interest therein.

(14) Prompt notice of any loss, or of the happening of any event which is likely to give rise to a claim shall be given in writing to the insurer failing which the Insurer may, in its absolute discretion, refuse to admit the claim or make such deduction therefrom as it may think fit.

(15) In the event of accident occurring abroad whereby loss or damage may result in a claim under this scheme, notice shall also be given in writing to the nearest surveyor accredited to the Company and whenever the extent of the damage is ascertainable, the Company may take or may require the Assured to take tenders for the repair of such damage. In cases where a tender is accepted by or with the approval of the Company, the Company will make on allowance at the rate of 30% per annum of the Insured value for the time actually lost in waiting for tenders. In the event of the Assured failing to comply with the conditions of this clause, 15% shall be deducted from the amount of the ascertained claim.

(16) The Assured shall, at the discretion of the Insurer, be liable to a deduction not exceeding 25% from any claim where the Insurer shall be of opinion that the Assured has not taken such steps to protect his interest, as he would have done if the ship had not been insured under this scheme.

(17) The Assured shall disclose to the Insurer from time to time any additional insurance effected or proposed to be effected by him with insurers other than the Insurer in respect of any interest however described which would become payable in the event of the loss of the insured vessel by risks covered by this scheme.

(18) For all purposes of the scheme, the Government of India shall have the sole right of determining what is and what is not a safe port/place or place of safety and the date which is to be deemed that of declaration of war or outbreak of hostilities.

(19) The Assured shall cease to be insured from the date of any transfer of the ship otherwise than by way of mortgage or a transfer of the management of the ship by the Assured or his firm unless with the written consent of the Insurer.

(20) No assignment under this scheme so as to pass beneficial interest therein shall have any effect in transferring or assigning such interest unless the same shall have been endorsed on the policy by the Assured and approved and registered by the Company

(21)

A. This insurance may be cancelled by either the Company or the Assured giving 14 days notice (such cancellation becoming effective on the expiry of 14 days from midnight of the day on which notice of cancellation is issued by or to the Company). The Company agrees however to reinstate this insurance subject to agreement between the Company and the Assured prior

to the expiry of such notice of cancellation as to new rate of premium and/or condition and/or warranties.

B. In the event of cancellation by notice of this insurance either by reason of the operation of paragraph A above, or of the sale of the ship hereby insured, pro-rata return of premium shall be payable to the Assured.

(22) In the event of any loss being settled or paid by the Company under this scheme, the Company shall be subrogated to all the rights of the Assured in Relation to the subject matter insured and the Assured shall afford to the Company all possible assistance in making good a claim as against third parties or effecting a recovery of the subject matter of the insurance.

(23) This insurance shall not be subject to a franchise.

(24) Average shall be payable without deduction of thirds new for old, whether the average be particular or general.

(25) General Average and salvage to be adjusted according to the law and practice obtaining at the place where the adventure ends as if the contract of affreightment contained no special terms upon the subject or, if the contract of affreightment so provides, according to York-Antwerp Rules 1974, or as may be revised from time to time. Claims for the ship's proportion of General Average and Salvage charges when recoverable hereunder are payable in full although adjusted on a value in excess of the Insured Value, notwithstanding that the aggregate of any or all of such claims and claims for particular average (if any) exceed the amount insured by this scheme.

(26) Notwithstanding any other provision of this scheme, this scheme shall not cover:

(A) the risks of capture, seizure, arrest, restraint or detainment or the consequence thereof, where such capture, seizure, arrest or detainment is not the consequence of hostilities or warlike operations and has been made by or on behalf of any state or public authority on the ground of any alleged contravention of the laws of any state or in order to enforce or secure payment of a fine, penalty or other imposition in respect of such contravention; provided always that the foregoing provisions of this sub-clause shall not apply in any case where the Assured shall prove to the reasonable satisfaction of the Company that the release of the vessel from such capture, seizure, arrest, restraint or detainment is not and was not at any time and will not at any time be obtainable upon payment of a fine, penalty or other imposition in respect of such contravention.

(B) Loss, damage, liability or expense arising out of or in consequence of the toxic, explosive or other hazardous proportion of, or the emission of ionizing radiators from

(i) any weapon of war employing atomic or nuclear or thermo-nuclear fission and/or fusion or other reaction or radioactive force or matter (whether such weapon be offensive or defensive and whether or not it is being utilized in the course of hostilities or warlike operation), or

(ii) nuclear fuels or radioactive products or waste carried as cargo in an entered ship with the exception of radio isotopes used or intended to be used for any industrial, commercial, agricultural, medical or scientific purpose and such further exceptions as the Company may approve, or

(iii) nuclear fuels or radioactive matter used or intended to be used in the propulsion of an entered ship or produced as waste or as a by-product by the propulsion unit or an entered ship.

(27) The Assured shall pay to the Company the within mentioned premium and so long as the Assured perform and observe all their obligations hereunder other than in regard to the payment of premium as stipulated in the within mentioned policy, the Company as a matter of facility to the Assured, agree to accept payment of premium by installments as shown in the policy

or any member thereof, including amounts allowed in general average, and for any amounts recovered from third parties in respect of damages for detention and/or loss of profit and/or running expenses, for the period covered by the tender allowance or any part thereof.

Where a part of the cost of repair of damage other than a fixed deductible is not recoverable from the Underwriters the allowance shall be reduced by a similar proportion.

11.4 In the event of failure to comply with the conditions of this Clause 11, a deduction of 15% shall be made from the amount of the ascertained claim.

12. GENERAL AVERAGE AND SALVAGE

12.1 This insurance covers the Vessel's proportion of salvage, salvage charges and/or general average, reduced in respect of any under- insurance but in case of general average sacrifice of the Vessel the Assured may recover in respect of the whole loss without first enforcing their right of contribution from other parties.

12.2 Adjustment to be according to the law and practice obtaining at the place where the adventure ends, as if the contract of affreightment contained no special terms upon the subject; but where the contract of affreightment so provides the adjustment shall be according to the York Antwerp Rules.

12.3 When the vessel sails in ballast, not under charter, the provisions of the York-Antwerp Rules, 1974 (excluding Rules XX and XXI) shall be applicable, and the voyage for this purpose shall be deemed to continue from the port or place of departure until the arrival of the vessel at the first port or place thereafter other than a port or place of refuge or a port or place of call for bunkering only. If at any such intermediate port or place, there is an abandonment of the adventure originally contemplated the voyage shall thereupon be deemed to be terminated.

12.4 No claim under this clause 12 shall in any case be allowed where the loss was not incurred to avoid or in connection with the avoidance of a peril insured against.

13. DEDUCTIBLE

13.1 No claim arising from a peril insured against shall be payable under this insurance unless the aggregate of all such claims arising out of each separate accident or occurrence (including claims under Clauses 8,10,12 and 14) exceeds..... in which case this sum shall be deducted. Nevertheless, the expense of sighting the bottom after stranding, if reasonably incurred specially for that purpose, shall be paid even if no damage be found. This Clause 13.1 shall not apply to a claim for total or constructive total loss of the Vessel or, in the event of such a claim, to any associated claim under Clause 14 arising from the same accident or occurrence.

13.2 Excluding any interest comprised therein, recoveries against any claim which is subject to the above deductible shall be credited to the Underwriters in full to the extent of the sum by which the aggregate of the claim unreduced by any recoveries exceeds the above deductible.

13.3 Interest comprised in recoveries shall be apportioned between the Assured and the Underwriters, taking into account the sums paid by the Underwriters and the dates when such payments were made, notwithstanding that by the addition of interest the Underwriters may receive a larger sum than they have paid.

14. DUTY OF ASSURED (SUE AND LABOUR)

14.1 In case of any loss or misfortune it is the duty of Assured and their servants and agents to take such measures as may be reasonable for the purpose of averting or minimising a loss which would be recoverable under this insurance.

14.2 Subject to the provisions below and to Clause 13 the Underwriters will contribute to charges properly and reasonably incurred by the Assured, their servants or agents for such measures. General Average, salvage charges (except as provided for in Clause 14.5) collision defence or attack costs and costs incurred by the Assured in avoiding, minimising or contesting liability covered by Clause 10 are not recoverable under this Clause 14.

14.3 Measures taken by the Assured or the Underwriters with the object of saving, protecting or recovering the subject matter insured shall not be considered as a waiver or acceptance of abandonment or otherwise prejudice the rights of either party.

14.4 When expenses are incurred pursuant to this Clause 14 the liability under this insurance shall not exceed the proportion of such expenses that the amount insured hereunder bears to the value of the Vessel as stated herein, or to the sound value of the Vessel at the time of the occurrence giving rise to the expenditure if the sound value exceeds that value. Where the underwriters have admitted a claim for total loss and property insured by this insurance is saved, the foregoing provisions shall not apply unless the expenses of suing and labouring exceed the value of such property saved and then shall apply only to the amount of the expenses which is in excess of such value.

14.5 When a claim for total loss of the Vessel is admitted under this insurance and expenses have been reasonably incurred in saving or attempting to save the vessel and other property and there are no proceeds, or the expenses exceed the proceeds, then this insurance shall bear its pro rata share of such proportion of the expenses, or of the expenses in excess of the proceeds, as the case may be, as may reasonably be regarded as having been incurred in respect of the Vessel; but if the vessel be insured for less than its sound value at the time of its occurrence giving rise to the expenditure, the amount recoverable under this clause shall be reduced in proportion to the under insurance.

14.6 The sum recoverable under this clause 14 shall be in addition to the loss otherwise recoverable under this insurance but shall in no circumstances exceed the amount insured under this insurance in respect of the Vessel.

15. NEW FOR OLD

Claims payable without deduction new for old.

16. BOTTOM TREATMENT

In no case shall a claim be allowed in respect of scrapping gritblasting and/or other surface preparation or painting of the vessel's bottom except that

16.1 gritblasting and/or other surface preparation of new bottom plates ashore and supplying and applying any "shop" primer thereto,

9 SISTERSHIP

Should the Vessel hereby insured come into collision with or receive salvage services from another vessel belonging wholly or in part to the same Owners or under the same management, the Assured shall have the same rights under this insurance as they would have were the other vessel entirely the property of Owners not interested in the Vessel hereby insured; but in such cases the liability for the collision or the amount payable for the services rendered shall be referred to a sole arbitrator to be agreed upon between the Underwriters and the Assured.

10 NOTICE OF CLAIM AND TENDERS

10.1. In the event of accident whereby loss or damage may result in a claim under this insurance, notice shall be given to the Underwriters prior to survey and also, if the Vessel is abroad, to the nearest Lloyd's Agent so that a surveyor may be appointed to represent the Underwriters should they so desire.

10.2. The Underwriters shall be entitled to decide the port to which the Vessel shall proceed for docking or repair (the actual additional expense of the voyage arising from compliance with the Underwriters' requirements being refunded to the Assured) and shall have a right of veto concerning a place of repair or a repairing firm.

10.3. The Underwriters may also take tenders or may require further tenders to be taken for the repair of the Vessel. Where such a tender has been taken and a tender is accepted with the approval of the Underwriters, an allowance shall be made at the rate of 30% per annum on the insured value for time lost between the despatch of the invitations to tender required by Underwriters and the acceptance of a tender to the extent that such time is lost solely as the result of tenders having been taken and provided that the tender is accepted without delay after receipt of the Underwriters' approval.

Due credit shall be given against the allowance as above for any amounts recovered in respect of fuel and stores and wages and maintenance of the Master Officers and Crew or any member thereof, including amounts allowed in general average, and for any amounts recovered from third parties in respect of damages for detention and/or loss of profit and/or running expenses, for the period covered by the tender allowance or any part thereof.
Where a part of the cost of the repair of damage other than a fixed deductible is not recoverable from the Underwriters the allowance shall be reduced by a similar proportion.

10.4. In the event of failure to comply with the conditions of this Clause 10 a deduction of 15% shall be made from the amount of the ascertained claim.

11 GENERAL AVERAGE AND SALVAGE

11.1. This insurance covers the Vessel's proportion of salvage, salvage charges and/or general average, reduced in respect of any under-insurance, but in case of general average sacrifice of the Vessel the Assured may recover in respect of the whole loss without first enforcing their right of contribution from other parties.

11.2. Adjustment to be according to the law and practice obtaining at the place where the adventure ends, as if the contract of affreightment contained no special terms upon the subject; but where the contract of affreightment so provides the adjustment shall be according to the York-Antwerp Rules.

11.3. When the Vessel sails in ballast, not under charter, the provisions of the York-Antwerp Rules, 1974 (excluding Rules XX and XXI) shall be applicable, and the voyage for this purpose shall be deemed to continue from the port or place of departure until the arrival of the Vessel at the first port or place thereafter other than a port or place of refuge or a port or place of call for bunkering only. If at any such intermediate port or place, there is an abandonment of the adventure originally contemplated the voyage shall thereupon be deemed to be terminated.

11.4. No claim under this Clause 11 shall in any case be allowed where the loss was not incurred to avoid or in connection with the avoidance of a peril insured against.

12 DEDUCTIBLE

12.1. No claim arising from a peril insured against shall be payable under this insurance unless the aggregate of all such claims arising out of each separate accident or occurrence (including claims under Clauses 8, 11 and 13) exceeds ..... in which case this sum shall be deducted. Nevertheless, the expense of sighting the bottom after stranding, if reasonably incurred specially for that purpose, shall be paid even if no damage be found. This Clause 12.1 shall not apply to a claim for total or constructive total loss of the Vessel or, in the event of such a claim, to any associated claim under Clause 13 arising from the same accident or occurrence.

12.2. Claims for damage by heavy weather occurring during a single sea passage between two successive ports shall be treated as being due to one accident. In the case of such heavy weather extending over a period not wholly covered by this insurance the deductible to be applied to the claim recoverable hereunder shall be the proportion of the above deductible that the number of days of such heavy weather falling within the period of this insurance bears to the number of days of heavy weather during the single sea passage.

The expression “heavy weather” in this Clause 12.2 shall be deemed to include contact with floating ice.

12.3. Excluding any interest comprised therein, recoveries against any claim which is subject to the above deductible shall be credited to the Underwriters in full to the extent of the sum by which the aggregate of the claim unreduced by any recoveries exceeds the above deductible.

12.4. Interest comprised in recoveries shall be apportioned between the Assured and the Underwriters, taking into account the sums paid by the Underwriters and the dates when such payments were made, notwithstanding that by the addition of interest the Underwriters may receive a larger sum than they have paid.

13 DUTY OF ASSURED (SUE AND LABOUR)

13.1. In case of any loss or misfortune it is the duty of the Assured and their servants and agents to take such measures as may be reasonable for the purpose of averting or minimising a loss which would be recoverable under this insurance.

13.2. Subject to the provisions below and to Clause 12 the Underwriters will contribute to charges properly and reasonably incurred by the Assured their servants or agents for such measures. General average, salvage charges (except as provided for in Clause 13.5) and collision defence or attack costs are not recoverable under this Clause 13.

13.3. Measures taken by the Assured or the Underwriters with the object of saving, protecting or recovering the subject-matter insured shall not be considered as a waiver or acceptance of abandonment or otherwise prejudice the rights of either party.

13.4. When expenses are incurred pursuant to this Clause 13 the liability under this insurance shall not exceed the proportion of such expenses that the amount insured hereunder bears to the value of the Vessel as stated herein, or to the sound value of the Vessel at the time of the occurrence giving rise to the expenditure if the sound value exceeds that value. Where the Underwriters have admitted a claim for total loss and property insured by this insurance is saved, the foregoing provisions shall not apply unless the expenses of suing and labouring exceed the value of such property saved and then shall apply only to the amount of the expenses which is in excess of such value.

13.5. When a claim for total loss of the Vessel is admitted under this insurance and expenses have been reasonably incurred in saving or attempting to save the Vessel and other property and there are no proceeds, or the expenses exceed the proceeds, then this insurance shall bear its pro rata share of such proportion of the expenses, or of the expenses in excess of the proceeds. as the case may be. as may reasonably be regarded as having been incurred in respect of the Vessel; but if the Vessel be insured for less than its sound value at the time of the occurrence giving rise to the expenditure, the amount recoverable under this clause shall be reduced in proportion to the under-insurance.

13.6. The sum recoverable under this Clause 13 shall be in addition to the loss otherwise recoverable under this insurance but shall in no circumstances exceed the amount insured under this insurance in respect of the Vessel.

14 NEW FOR OLD

18.2. In no case shall the Underwriters be liable for unrepaired damage in the event of a subsequent total loss (whether or not covered under this insurance) sustained during the period covered by this insurance or any extension thereof.

18.3. The Underwriters shall not be liable in respect of unrepaired damage for more than the insured value at the time this insurance terminates.

19.1. In ascertaining whether the Vessel is a constructive total loss, the insured value shall be taken as the repaired value and nothing in respect of the damaged or break-up value of the Vessel or wreck shall be taken into account.

19.2. No claim for constructive total loss based upon the cost of recovery and/or repair of the Vessel shall be recoverable hereunder unless such cost would exceed the insured value. In making this determination, only the cost relating to a single accident or sequence of damages arising from the same accident shall be taken into account.

COLLISION CLAUSE

17. And it is further agreed that if the Ship hereby insured shall come into collision or in contact with any other Ship or Vessel, and the Assured shall in consequence thereof become liable to pay and shall pay by way of damages to any other person or persons any sum or sums in respect of such collision or such contact, the Underwriters will pay the Assured such proportion or such sum or sums so paid as their respective subscriptions hereto bear to the value of the Ship hereby insured, provided always that their liability in respect of any one such collision or contact shall not exceed their proportionate part of the value of the Ship hereby insured and in cases in which the liability of the Ship has been contested or proceedings have been taken to limit liability, with the consent in writing of the Undersigned, they will pay also a like proportion of the costs, which the Assured shall thereby incur, or be compelled to pay; but when both vessels are to blame, then unless the liability of the Owners of one or both of such Vessels becomes limited by Law, claims under this clause shall be settled on the principle of cross- liabilities, as if the Owners of each vessel had been compelled to pay to the Owners of the other of such Vessels such one-half or other proportion of the lather's damages as may have been properly allowed in ascertaining the balance or sum payable by or to the Assured in consequence of such collision or contract.
18. Should the vessel hereby insured come into collision or contact with another Vessel belonging wholly or in part to the same Owners, or under the same management, the Assured shall have the same rights under this policy as they would have were the other Vessel entirely the property of Owners not interested in the Vessel hereby insured; but in such cases the liability for the collision or contact shall be referred to a sole arbitrator to be agreed upon between the Underwriters and the Assured.

    It is further agreed that in the event of salvage, towage or other assistance being rendered to the vessel hereby insured, by any vessel or any other movable or immovable object whatsoever, belonging in part or in whole to the same Owners, or under the same management, the value of such services (without regard to the common ownership or control of the vessel or any other movable or immovable object whatsoever) shall be ascertained by a

Underwriter's' liability under this clause is subject to the limitations in amount, provided for in clause 19. The provisions of that clause regarding the payment of legal costs shall apply also hereto.
21. Should any loss or damage, as mentioned above, be caused to property belonging wholly or in part to the same owners, or under the same management, the Assured shall have the same rights under this policy as they would have should such property be owned by third parties, but in such

Should the vessel hereby insured come into collision or contact with another Vessel belonging wholly or in part to the same Owners, or under the same management, the Assured shall have the same rights under this policy as they would have were the other Vessel entirely the property of Owners not interested in the Vessel hereby insured; but in such cases the liability for the collision or contact shall be referred to a sole arbitrator to be agreed upon between the Underwriters and the Assured.

Any attempted or actual raising, removal or destruction of the wreck of the said vessel or the cargo

thereof, or any neglect or failure to raise, remove or destroy the same.

Claims recoverable under this section to be paid without the deductions specified in the aforesaid Association Rules.
Any sum or sums for which the Assured may become liable to pay by virtue of the towage or transport or other contract for losses suffered by or done to third parties arising out of the Ownership of the vessel hereby insured or through the employment of the tug.
We will pay the Assured such proportion of such sum or sums so paid, or which may be required to indemnify the Assured for such loss, as our respective subscriptions bear to the policy value of the ship hereby insured, provided always that the amount
recoverable hereunder in respect of any one accident or series of accidents arising out of the same event shall not exceed the sum hereby insured, and in case the liability of the Assured has been contested with the consent in writing of two-thirds in amounts
of the Underwriters on the Ship hereby insured, we will also pay a like proportion of the costs which the Assured shall thereby incur or be compelled to pay.

This insurance also to pay the expenses, after deduction of the proceeds of the salvage, not recoverable under clause 19, of the removal of the wreck of the insured vessel from any place owned, leased or occupied by the Assured. Underwriters' liability under this clause is subject to the limitations in amount, provided for in clause. The provisions of that clause regarding the payment of legal costs shall apply also hereto.

Should any loss or damage, as mentioned above, be caused to property belonging wholly or in part to the same owners, or under the same management, the Assured shall have the same rights under this policy as they would have should such property be owned by third parties, but in such cases the liability for such loss or damage shall be referred to a sole Arbitrator to be agreed upon between the Underwriters and the Assured.

It is further agreed that the P. & I. clause including Sistership Clause (sub 19/22) is extended to cover all liabilities in connection with any part of the insured object whilst ashore and/or under repair and/or in transit as mentioned sub 1.

DTV HULL CLAUSES 1978

(Original text in German which shall take precedence)

1. Relationship to the German General Rules of Marine Insurance (ADS)
   The DTV Hull Clauses take precedence over the ADS.

2. Period of Insurance
   2.1. The insurance commences and expires on the dates mentioned. This applies also to a vessel which is enroute at the time when the insurance expires in accordance with Article 68 ADS.
   2.2. The Assured may, however, submit a declaration to Underwriters before expiry of the insurance to the effect that the insurance be extended in the event that the vessel is en route when the insurance expires and sustains indemnifiable damage impairing her seaworthiness.
   The extension expires as soon as the repairs have been carried out or - if repairs are not carried out immediately - when the damage has been ascertained.

3. Insurable Value
   The agreed hull valuation shall be considered as the insurable value and comprises the vessel, the mechanical equipment, appurtenances and installations.

4. Appurtenances and Installations
   4.1. Appurtenances are included in the insurance even if these are not the property of the Assured.
   4.2. Equipment is covered against partial loss or damage only if caused by fire or explosion.

5. Parts removed from the vessel
   Parts of the insured vessel and her appurtenances, which are temporarily removed from the vessel, remain insured. Any other existing insurance shall take precedence over this insurance.

6. Insurances on Disbursements and Freight
   6.1. Additional insurances for shipowner's account are permitted as follows:
   up to 15 % of the hull valuation on disbursements and equipment and up to 20% of the hull valuation on freight.
   Amounts insured on equipment and freight not at risk shall be deemed to be covered on disbursements.
   6.2. In the event of total loss, Underwriters are entitled to demand a declaration of all additional insurances taken out for shipowner's account.
   6.3. If additional insurances are covered for higher amounts than those permitted above, Underwriters are discharged from liability in respect of these higher amounts in the event of total loss.

7. Trading Warranties (according to agreement)
   7.1. European Trading
   The insurance applies to voyages between all European places and all places in the Mediterranean and Black Sea, limited to the north by the 70 th degree Lat. N., excluding
