Entertainment Production Policy

Sales Literature

INTRODUCTION

"Entertainment Production Policy" is a vital product designed specifically for the dynamic and often unpredictable entertainment industry. It covers wide range of risks associated with producing films, TV shows, AD shoots and other entertainment projects. This policy is indispensable for protecting the considerable investments made in entertainment projects and ensures despite the inherent uncertainties of the industry, productions can proceed with confidence and are shielded from major financial pitfalls.

BENEFITS

Claims made in respect of an Insured for any eligible benefits shall be subject to the terms, conditions and exclusions of this Policy. At any point of time, our liability for any claims admitted in respect of any/all Insured Person/s during the period of insurance shall not exceed the Sum Insured as stated in the Policy Certificate against the respective Benefit.

I. Cast Insurance

Cast insurance provides numerous benefits, particularly in the entertainment industry where unforeseen events can cause significant financial losses. This insurance safeguards against financial losses caused by unavailability of key cast members due to illness, injury or death during the production periods. With this insurance producer can mitigate the risk of production halts and ensures the production schedule remains on track or the financial impact of any interruptions is minimized.

II. Equipment Insurance

Equipment Insurance offers several key benefits in the entertainment industry which heavily relies on machinery and tools. This covers the repair or replacement costs if equipment is damaged, or destroyed which prevents financial losses. This also helps to minimize operational downtime ensuring continuity of business operations. Knowing that equipment is covered, it allows to focus on business operations without excessive worry about potential equipment issues. Demonstrating insured, well-maintained equipment can bolster client's confidence.

III. Props, Sets & Wardrobe Insurance

Props, sets and wardrobe insurance offers specific protections for the entertainment industry, particularly in film, theatre and television production. This covers the cost associated with repair or replacement costs if Props,

Sets & Wardrobe is damaged, or lost ensuring that out-of-pocket expenses are minimized. This ensures that items are covered while being moved from location to location, an essential feature for mobile productions. Some investors or backers require proof of insurance before funding a project, making this coverage crucial for securing necessary resources.

IV. Extra Expenses Insurance

Extra expenses insurance provides financial coverage for additional cost incurred during the recover from an insured event, ensuring business continuity. This insurance acts as a crucial buffer against the unexpected, allowing to disruptions with minimal financial hardships and maintain their operational
