| 7 | <b>Basic documents and verifications required for claim settlement</b> | <p><b><u>Basic documents and verification:</u></b></p> <p>Some of important documents required to file a car insurance claim include RC, driving license, FIR (if applicable), claim form and repair bills. In case the claim amount is greater than Rs. 1 lakh in addition to the above listed documents AML documents are also required to be collected. Original documents are to be produced for verification.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| 8 | <b>FAQ</b>                                                             | <p><b><u>FAQ:</u></b></p> <p><b>1. What is a Goods Carrying Package Policy?</b><br/>It's a motor insurance policy for vehicles used to carry goods. It provides own damage cover, third-party liability cover, and personal accident cover for the owner-driver.</p> <p><b>2. What does the policy cover?</b></p> <ul style="list-style-type: none"> <li>• <b>Own damage:</b> Accidental damage, theft, fire, natural calamities, riots, terrorism.</li> <li>• <b>Third-party liability:</b> Bodily injury, death, or property damage caused to others.</li> <li>• <b>Personal accident cover:</b> Mandatory cover for the owner-driver in case of death or permanent disability.</li> </ul> <p><b>3. Is third-party liability mandatory?</b><br/>Yes, third-party liability cover is compulsory by law for all goods carrying vehicles.</p> <p><b>4. Does the policy cover employees like drivers or cleaners?</b><br/>Yes, but only if you opt for additional covers that extend liability and accident benefits to paid drivers, cleaners, or conductors.</p> <p><b>5. What are the key exclusions?</b></p> <ul style="list-style-type: none"> <li>• Losses outside the geographical area specified in the policy.</li> <li>• Contractual liabilities.</li> <li>• Improper use of the vehicle (e.g., not in line with "limitations as to use").</li> <li>• Driving by unauthorized persons.</li> <li>• Nuclear risks, war, invasion, civil war, mutiny, rebellion.</li> <li>• Consequential losses</li> </ul> <p><b>6. Can the policy be transferred if I sell my vehicle?</b><br/>Yes, the policy can be transferred to the new owner, but the personal accident cover for the original owner-driver is not transferable.</p> <p><b>7. Are add-ons available?</b><br/>Yes, add-ons such as Zero depreciation, Engine protect, Consumables cover, Road side assistance etc are available</p> <p><b>8. Is this policy indemnity, benefit, or both?</b><br/>It is <b>both</b>:</p> <ul style="list-style-type: none"> <li>• <b>Indemnity</b> for own damage and third-party liability.</li> <li>• <b>Benefit</b> for personal accident cover.</li> </ul> |
