Standard Add-ons

This is an additional covers that extends the insurance cover that We give under the **ICICI Bharat Sookshma Udyam Suraksha**. We give these additional covers if You have applied to and paid premium for the covers and We have accepted to give covers to You.

1. *Declaration Policy for Stocks*

1. We agree to cover Your Stock on receipt of provisional premium based on Your declaration of the value of Stock, the premium being liable to be adjusted at expiry of the Policy Period, as follows:

2. You will declare to Us in writing signed by You or an authorised person, the value of Your Stock less any amount insured by Policies other than declaration policies. If any Stock is covered by declaration policies, You must apportion to each policy a share of the value of stocks insured by such declaration policies pro-rata to the respective amounts named in those policies.

3. Your declaration shall state
   i. Average of the value at risk on each day of the month, or
   ii. Highest value at risk during the month

4. The value for Your declaration shall be the market value. Any loss covered shall be settled on the basis of the market value immediately before the loss.

5. You must give a separate declaration relating to each separate location.

6. You shall give such declaration before the last day of the succeeding month. If You do not make a declaration in time, We will consider the Sum Insured mentioned in the Policy Schedule as the value at risk.

7. At the end of the Policy Period, the actual premium will be calculated at the rate applied under the Policy on the average Sum Insured, i.e.,
   The total of values declared or deemed to have been declared ÷ the number of declarations made or deemed to have been made.

8. If the premium calculated on adjustment is less than the provisional premium You have paid, We will repay the amount of the difference not exceeding 50% of the provisional premium.

9. If at the time of loss there is another subsisting insurance policy covering the insured Stock other than on declaration basis, whether You have taken such policy or some one else, We will only pay the amount of difference by which the value of the Stock at the time of loss exceeds the Sum Insured under the other policies, and We will not be liable to contribute more than that proportion which such difference bears to the total value of stocks. In all cases, the maximum We will pay is the relevant Sum Insured.

10. If after loss has occurred, it is found that the amount of last declaration before the loss is less that the amount which ought to be declared, We will pay only that proportion of loss which the amount in the last declaration bears to the amount that ought to have been declared.

11. If You cancel the policy (whether any stock exists or not), We will retain short period premium calculated on the average amount insured until the cancellation, or 50% of the provisional premium , whichever is higher. If You cancel the policy after loss has occurred, We will retain the

premium of the higher of the two amounts:

i. The pro-rata proportion of the premium calculated on the average amount insured until cancellation plus the pro-rata proportion of the premium from the date of loss to the end of the Policy Period, and

ii. 50% of the provisional premium.

12. You cannot reduce the Sum Insured during the Policy Period.

13. We will not pay more than the Sum Insured, and You need not pay premium on value in excess of the Sum Insured. You and Us can increase the Sum Insured by agreement, and its effective date will be added by Endorsement on the Policy. You are liable to pay an additional provisional premium on the increased Sum Insured proportionate to the unexpired Policy Period. If the rate for the class of the relevant risk is revised during the Policy Period, You must pay an additional provisional premium on the revised rate for the unexpired period. In both these cases, the premium will be adjusted at the end of the Policy Period as stated in **Clause 7** above.

14. If the Insured Stocks are collectively of greater value than their Sum Insured at the time of loss, You will be Your own insurer for the difference, and must bear a rateable proportion of the loss. Every item of Stock shall be separately subject to this condition.

15. All other terms and conditions of the Policy shall apply to the Declaration Policy.

However, the Bank shall notify Us of any change or ownership, or alterations and increase in risks as soon they become known to the Bank, and shall pay additional premium from the time of such change.
