Empowering Women: ICICI Lombard Celebrates International Women's Day with Wellness Session for Female Agents

Pune, March 08, 2025: On International Women's Day, ICICI Lombard India's leading private general insurer proudly organized a dedicated **Women's Wellness session** for over 100+ of its esteemed women agents in Pune. This initiative aims to educate and empower women with essential knowledge about holistic well-being, focusing on physical health, mental wellness, and the support systems available to them.

The session featured expert talks from leading healthcare professionals who shared valuable insights on various aspects of women's health, including the importance of regular health check-ups, maintaining a healthy lifestyle, and strategies for managing stress. The event underscores ICICI Lombard's commitment to fostering a healthy work environment and promoting the overall well-being of its workforce and the community.

This event is part of ICICI Lombard's broader effort to engage with its employees on health and wellness topics, reinforcing the importance of self-care and supportive networks among women.

By prioritizing women's wellness, ICICI Lombard not only aims to create a positive workplace culture but also to inspire women to take charge of their health and well-being.
